SST-ST-001

Shonga Curve Coffee Table

A stylish glass-top coffee table supported by reinforced steel and wooden legs. Designed to deliver elegance, stability, and durability for upscale offices and living areas.

SST-CT-002

Shonga Vista Glass Coffee Table

A uniquely sculpted side table crafted with precision curves and a solid wood structure. Ideal as an accent table for offices, reception areas, and modern interiors.

SECTION A

LIVING ROOM FURNITURE

A contemporary sofa designed with a solid timber frame and premium upholstered seating. The open slatted back detail adds character while ensuring comfort, durability, and a refined modern look—ideal for living rooms, executive lounges, and reception areas.

SST-SF-004

ShongaLuxe Timber-Frame Sofa

SHONGAFORM SCULPTED COFFEE TABLE

A bold, low-profile coffee table featuring a sculpted wooden base and a sleek, durable tabletop. Designed for modern livingrooms, executive lounges, and premium reception areas where design meets strength.

***“Engineered for stability.
Designed for impact.”***

SHONGAVEX STEEL-BASE DINING TABLE

A modern dining and boardroom table built on a strong V-shaped steel base with a solid wooden top. Engineered for stability, durability, and contemporary style—ideal for dining spaces, meeting rooms, and corporate environments.

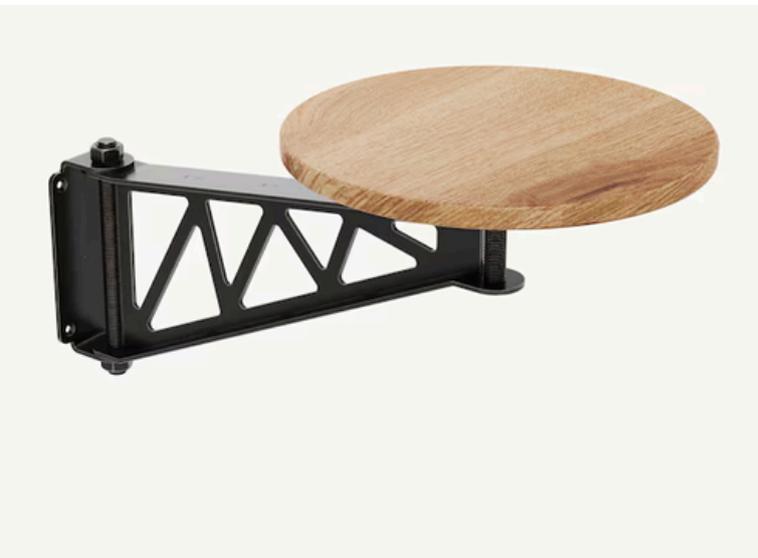

SST-CS-001

SHONGAARC DESIGNER CONSOLE TABLE

A bold designer console table with a flowing sculptural form and ribbed wooden finish. Ideal for entrance halls, lounges, and feature walls, it adds artistic character while offering functional display space

SST-CT-005

SHONGAFORM SCULPTED DESIGNER BAR STOOL

A contemporary sculpted bench designed with layered wooden detailing and a smooth seating surface. Ideal for reception areas, waiting lounges, galleries, and modern interiors, this bench combines artistic design with durable construction.

***"Engineered for stability
Designed for impact."***

SST-BN-001

SHONGACURVE SCULPTED WOODEN BENCH

A sculpted wooden bench featuring layered curved detailing and a smooth seating surface. Designed as a statement piece for reception areas, galleries, and modern interiors, it combines craftsmanship with contemporary design.

SIDEBOARDS & CABINET

SST-OB-003

SHONGAARCH CELINE GLASS DISPLAY CABINET

A premium glass display cabinet featuring an elegant arched design with internal shelving and drawers. Built with a strong frame and glass doors, it is ideal for offices, showrooms, reception areas, and home interiors where display and storage meet refined design.

SST-OB-003

SHONGASTORE EXECUTIVE SIDEBOARD

A modern executive sideboard designed with spacious drawers and cupboards for organized storage. Finished with a solid top and clean lines, it is ideal for offices, boardrooms, and living spaces requiring both functionality and style.

SST-OB-003

SHONGADRAW MULTI- DRAWER STORAGE CABINET

A spacious multi-drawer storage cabinet designed for organized filing and storage. Built with durable materials and smooth drawer operation, it is suitable for offices, studios, and workspaces that require efficient document and equipment storage.

KIDS BEDROOM

SST-BD-003

SHONGAHOME MODULAR WALL BED SYSTEM

A space-saving modular wall bed system designed with integrated cabinets and shelving. Perfect for apartments, guest rooms, and multipurpose spaces, it delivers smart storage without compromising comfort.

SST-BD-004

SHONGAKIDS SAFE BUNK BED

A durable bunk bed designed for children's bedrooms and shared living spaces. Built with a strong frame and secure ladder access, it provides safe, practical sleeping solutions while maximizing room space.

OFFICE FURNITURE

SST-OD-003

SHONGAWORK INDUSTRIAL STEEL WORKBENCH

A professional office desk combining a durable steel frame with a smooth wooden worktop and integrated drawer storage. Designed for daily office use, it offers ample workspace, secure storage, and a clean, modern appearance suitable for corporate offices and institutions.

SHONGAWORK INDUSTRIAL STEEL WORKBENCH

SST-WB-002

A heavy-duty steel workbench built for workshops, factories, and maintenance areas. Featuring a solid wooden top and reinforced steel frame, this workbench delivers stability, strength, and long-term reliability for demanding work environments.

SST-OD-003

SHONGAFLEX ADJUSTABLE MOBILE WORK TABLE

A versatile adjustable work table designed for flexibility and convenience. Fitted with a smooth, durable tabletop and lockable castor wheels, it allows easy movement and height adjustment, making it ideal for offices, training rooms, and multi-purpose workspaces.

STORAGE & INSTITUTIONAL FURNITURE

SST-FC-001

SHONGAFILE 4-DRAWER STEEL FILING CABINET

A versatile adjustable work table designed for flexibility and convenience. Fitted with a smooth, durable tabletop and lockable castor wheels, it allows easy movement and height adjustment, making it ideal for offices, training rooms, and multi-purpose workspaces.

SST-SC-001

SHONGASTORE STEEL STORAGE CABINET

A lockable steel storage cabinet built for secure storage of office supplies, tools, and equipment. Featuring adjustable internal shelves and a strong steel body, it is suitable for offices, workshops, and industrial settings.

SST-LK-001

SHONGASAFE STEEL LOCKER UNIT

A steel locker unit designed for safe and organized personal storage. Ideal for schools, gyms, factories, and staff changing rooms, it offers durability, ventilation, and secure locking for everyday use.

SST-FC-002

SHONGAVIEW FILING CABINET

A modern steel filing cabinet featuring lockable glass doors for easy document visibility and organized storage. Built with a strong steel body and adjustable shelves, it is ideal for offices, institutions, and administrative spaces that require both security and a professional appearance.

SST-SR-001

SHONGARACK HEAVY-DUTY STEEL SHELVING UNIT

A robust steel shelving system designed for warehouses, workshops, and storage rooms. The adjustable shelves provide flexible storage for tools, files, and equipment, while the reinforced steel frame ensures long-lasting durability under heavy loads.

"Secure storage, engineered to perform."

SST-ST-001

SHONGASAFE STEEL STORAGE TRUNK

A heavy-duty steel storage trunk designed for secure storage of tools, equipment, and valuables. Built with a reinforced steel body and lockable lid, it is ideal for outdoor use, workshops, sites, and institutional storage needs.

OFFICE & EXECUTIVE FURNITURE

SST-EX-004

SHONGAPRIME EXECUTIVE DESK WITH SIDE CREDENZA

A premium executive desk featuring a spacious work surface combined with a side credenza for integrated storage. Built with a reinforced steel frame and quality wood finishes, it is ideal for executive offices requiring functionality, organization, and modern style.

SST-EX-005

SHONGATECH EXECUTIVE WORK DESK

A modern executive work desk featuring a sleek integrated drawer unit and a strong sculpted frame. Designed for contemporary offices and home workspaces, it offers a spacious work surface, smart storage, and a clean minimalist profile built for daily productivity.

SST-EX-006

SHONGATECH MODERN WORK DESK

A contemporary work desk designed with a bold steel structure and integrated shelving for books and accessories. Ideal for home offices and creative workspaces, it offers stability, smart storage, and a refined modern appearance.

SST-SH-002

SHONGARACK OPEN WOOD & STEEL SHELF UNIT

A modern open shelving unit combining solid wood shelves with a strong steel frame. Designed for offices, libraries, and display areas, it provides organized storage while adding a clean industrial aesthetic to any space.

STUDENT DESKS

SST-SD-001

SHONGAEDU DESK & BENCH SET

A durable school desk and bench set designed for classrooms and training institutions. Built with a strong steel frame and smooth wooden surfaces, it offers stability, comfort, and long-term performance for daily student use.

SHONGAEDU STUDENT DESK & CHAIR (SINGLE)

A compact student desk and chair set designed for individual learning. Featuring a sturdy steel structure and wooden writing surface, it provides ergonomic support and durability for classrooms, libraries, and training centres.

SST-SD-002

SST-SD-003

SHONGAEDU DOUBLE STUDENT DESK

A robust double student desk designed to accommodate two learners comfortably. Constructed with reinforced steel framing and a smooth wooden top, it is ideal for high-use classroom environments requiring strength and efficiency.

STUDENT DESKS
